Terms & Conditions

We're very happy to provide our members with two free bespoke walks of the Quarter per year. However, our professional guide's time does cost us so if you need to cancel or rearrange a walk that has been booked and confirmed, we would require 14 days' notice. Cancellations or date / time changes within 7 days prior to the walk will incur a cancellation fee of £175.00.

Please tick to confirm you accept our T&C's.
